

Advanced Skills Foundation Program **Train-the-trainer, with a focus on Coaching Core Competencies**

(For coaches, instructors, facilitators, and corporate trainers)

Do you need to:

- Expand your service offering to clients?
- Facilitate coaching skills in your training or leadership program?
- Integrate coaching skills into your training or leadership program?

If so, did you know that you could become licensed to deliver CDI's **Advanced Skills Foundation Program**?

Description

The CDI Advanced Skills Foundation Program is a three-day comprehensive train-the-trainer program focused on providing participants with the opportunity to experiment with new approaches in demonstrating and applying Coaching Core Competencies. We support you in anchoring and integrating a deeper understanding of the competencies, and will effectively prepare you to teach and mentor your future learners. Program participants will have many opportunities to learn about the CDI approach to teaching ICF Coaching Core Competencies by simulating delivery of program mini lessons. Exercises, practices and concepts discussed during training will be sequenced to deepen and accelerate your learning.

CDI Advanced Skills Foundation Program – curriculum & benefits

When you register and become licensed to deliver the **CDI Advanced Skills Foundation Program**, you will receive:

1. Three (3) days of experience-based, hands-on training which permit you to actively design your own program, and focus on skills practice;
2. A comprehensive facilitator's manual, in-class resource materials, and one participant workbook;
3. Instructional feedback and support by ICF MCC- and PCC-certified professional coaches;
4. A formal evaluation of your training abilities;
5. Experience delivering 2 mini lessons;
6. A one time license fee to lead this program will be remitted on your behalf and is valid for two years. Thereafter, participation in a refresher program and license renewal will be required to keep current with International Coach Federation (ICF) requirements;
7. Information on how to integrate the **CDI Advanced Skills Foundation Program** into an organization's existing training initiative;
8. On-going support from committed coaching professionals. Six (6) bi-monthly teleclasses will be recorded. You are required to participate in three (3) out of six (6) teleclasses;
9. An opportunity to purchase participant workbooks at a reduced rate;
10. Ongoing mentor coaching available for a supplement. Please contact CDI for more information.

Next session dates & time: July 21, 22, 23, 2010; 9:00 a.m. – 5:00 p.m.

Location: Confirmed upon registration. Register now – space limited. Payment options available.

Your facilitators: Diane Bonneau, MCC, PMC & Michèle Roy, PCC, PMC
